## CHRIST IS MY FIRM FOUNDATION

**"For no one can lay any foundation other than the one already laid, which is Jesus Christ."**

**— 1 Corinthians 3:11**

In a world where everything feels like it can shift in an instant: jobs, health, relationships, finances we are reminded of one unchanging truth: Jesus Christ is our firm foundation.

The storms of life are inevitable. Jesus Himself said, **"In this world you will have trouble. But take heart! I have overcome the world"** (John 16:33).

Life can feel uncertain shifting like sand beneath our feet. But the Bible reminds us that in the midst of every storm, Christ is the solid Rock on which we stand and we must build our lives. When our lives are built on Him, we are like the wise man in **Matthew 7:24-27: "Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash."**

Christ doesn't promise a storm-free life. He promises a stormproof faith.

The foundation we build on determines whether we stand or fall when pressure comes. Jesus isn't just a shelter; He is the bedrock of our very existence. When everything else around us gives way—health, finances, relationships we have a foundation that will never move. Let's choose today to trust and build on Jesus Christ, our unshakable Rock.
